

Invitation to Submit Full Papers from GTM2024 to the Journal of Data and Information Science

Dear Authors and Participants of the GTM2024 Conference in Berlin,

We are pleased to invite you to submit full papers based on the presentations at the GTM2024 conference to the *Journal of Data and Information Science* (JDIS).

As a representative journal in the field, JDIS seeks to publish high-quality research that contributes to the advancement of data and knowledge discovery. We encourage you to expand upon your conference presentations, providing a comprehensive exploration of your research findings and methodologies. Submitting your work to JDIS will not only enhance your visibility within the academic community but also contribute to the ongoing discourse in our field.

Submission Instructions:

- JDIS welcomes standard-length original Research Articles as well as various types of shorter papers that facilitate the rapid dissemination of new findings, including Research Notes, Perspectives, and Data Papers.
- The submission process will involve a standard peer review, ensuring that your work meets the high standards of JDIS.
- Submissions should be made through our online platform www.j-jdis.com by June 30, 2025. When submitting, please select the type “GTM2024.”
- For more information, please contact jdis@mail.las.ac.cn.

We look forward to receiving your contributions and to sharing the valuable insights generated at GTM2024 with a wider audience.

Thank you for your participation in the conference, and we hope to see your research published in JDIS!

Best regards,

Alan L. Porter, Denise Chiavetta
